7. JUDGING

The VIWA 2025 judging is a peer review process. The panel (from diverse backgrounds, working individually) is instructed to score entries from 0 to 100, using the criteria (as mentioned in the section 3 and 5).

7.1 The panel aggregates scores and determine the category. The panel decision is final and binding.

7.2 For each category/discipline (Eg. Outstanding Woman Researcher – Computer Science) the expert committee will select 2 Nominees. However the Apex Committee reserve the rights to honour less or more than 2 nominees in any category who meet standards set by the expert committee.

7.3 The committee will use discretion if an individual is nominated for two concurrent awards and will move the nomination to appropriate category based on their judgment.

7.4 In case, if a nominee meets the criteria for an award, other than the one nominated for, the committee will be deciding to move the nomination to a suitable category.

THE 10TH ANNUAL WOMEN'S MEET – AWM 2025

<https://www.venusinfo.org/women/2025/awm.html>

Only around 30% of world's researchers are women and they publish less and paid less. To reduce this gap, we must go beyond and identify the qualitative factors that deter women from advancing in research. Women advocating for women is very much essential in Science, Technology and Innovation (STI). The AWM provides a unique platform to have voice of women researchers to raise broad awareness to the potential of female intellectualism and this promotes integration of women in STI.

The 10th Annual Women's Meet – AWM 2025 (Event Code: WM25EN10SN-042 | Event Type: Scientific Conference) invites women researchers and women faculty members those are in continuous regular service in Institutions of Academic, Scientific and Industrial sectors, and working in the frontiers of Agricultural Sciences, Engineering, Health and Medical Sciences, Humanities and Social Sciences, Management, Science, and Veterinary and Animal Sciences.

- **Theme:** *"To Cultivate Research Spirit and Create a Vibrant Community of Women in Science and Technology"*

Paper Submission and Guidelines: The AWM 2025 seeks original, high-quality proposals describing the research and results that contribute to advancements in their major research areas. Each abstract paper should have at most 2 pages, including figures, tables and references.

Publications: All selected and registered research papers will be published in AWM 2025 Conference proceedings with ISBN.

Previous Event: 9th Annual Women's Meet – AWM 2024:
